# Mastering Change-Driven Leadership and Strategy in High-Paced Organizations

## COURSE OVERVIEW

In today's rapidly evolving business landscape, organizations face constant change and disruption. To thrive in such an environment, leaders need to be equipped with the skills and strategies to navigate and drive change effectively. This course, "Mastering Change-Driven Leadership and Strategy in High-Paced Organizations," is designed to provide participants with the knowledge and tools to become successful change-driven leaders in dynamic and fast-paced settings.

## COURSE OBJECTIVES

- At the end of this course, participants will be able to
- Gain a deep understanding of the forces driving change in modern organizations, including technological advancements, market shifts, and global influences.
- Learn how to lead and manage change initiatives, inspire teams, and build a culture that embraces change as a constant.
- Explore strategies and frameworks for effective change management, including assessing change readiness, stakeholder engagement, and risk mitigation.
- Foster a culture of innovation and adaptation, enabling their organizations to respond swiftly to market disruptions.
- Utilize data and analytics to make informed decisions and drive strategic change initiatives.
- Enhance their communications and negotiation skills to effectively communicate the need for change and gain buy-in from stakeholders at all levels.
- Build personal resilience and mental agility to thrive in high-pressure, fast-paced environments.
- Explore the ethical considerations of leading change and ensuring that organizational changes align with ethical principles and values.
- Develop a comprehensive change management plan and strategy for your organization, considering both short-term and long-term goals.

## WHO SHOULD ATTEND

- Senior Executives and C-Suite Leaders: CEOs, COOs, CFOs, and other top-level executives who are responsible for shaping the overall strategy of the organization and need to lead change at a strategic level.
- Managers and Directors: Middle and senior managers who oversee teams, departments, or business units and play a critical role in implementing and managing change initiatives.
- Change Managers and Specialists: Professionals who specialize in change management roles, helping organizations plan, execute, and sustain change efforts.
- Project Managers: Project managers who want to enhance their skills in managing change projects and ensuring that they align with the organization's strategic objectives.
- HR Professionals: HR leaders and practitioners who are involved in talent management, organizational development, and creating a supportive culture for change.
- Leaders of Innovation and R&D Teams: Those responsible for driving innovation within their organizations and adapting to rapidly changing market conditions.
- Entrepreneurs and Start-up Founders: Individuals leading start-ups or small businesses that need to be agile and responsive to changing market demands.
- Consultants: Management and strategy consultants who want to offer their clients expertise in change leadership and strategy.
- Business Analysts and Data Professionals: Professionals who work with data and analytics and want to understand how data can inform change strategies.
- Professionals in Non-profit and Public Sectors: Leaders and managers

# Our Trainers

ICM boasts a team of proficient coaches and facilitators, well-equipped to provide efficient support that empowers individuals and organizations to cultivate the confidence needed to unlock their full potential. Our inclusive approach to learning fosters an environment where participants can question outdated work methods, paving the way for fresh, innovative approaches to transform their organizations.

## METHODOLOGY

ICM training sessions follow a methodology that combines lectures with shared experiences from peers and participants. These sessions involve group discussions and exercises designed to enhance learning, aiming to provide participants with both practical and theoretical knowledge. The ultimate goal is to empower participants to seamlessly apply what they have learned in their places of work.

# IN-PLANT AND OPEN LEARNING SESSIONS

**O**ur training sessions consist both in-plant and open learning opportunities, tailored to meet the unique learning requirements of participants

## TESTIMONIALS

“The training was well rounded and engaging and very apt: From the training venue to the instructors to the participants to the course contents and the menus. Thanks ICM for the opportunity.”  
– **Matthew, Cakasa Engineering Services Limited**

“Kudos to ICM on the very robust, interactive and insightful two days training programme. At the end of it all, there was so much to take home from the diverse experiences and ideas shared. Thank you so much.”  
– **Jessica, The Sun Publishing Limited**

“I recommend this training to everyone. The content was too practical. My mind-set has definitely taken in a new positive shift.”  
– **Chisa, Loatsad Promomedia Limited**

It should be noted that dates are moveable depending on the circumstance. ICM will not be held liable for this.

# JOSEPH A. ANETOR, FICM

**J**oseph Anetor is a seasoned professional with over 28 years of leadership experience in human resources and change management.

He has played a pivotal role in driving lasting change in numerous reputable organizations across the private, public, and not-for-profit sectors. Collaborating with industry partners, he has successfully integrated sustainable change initiatives. Joseph possesses a remarkable ability to cultivate and sustain strong relationships with internal and external stakeholders at various levels.

His focus revolves around nurturing professionals with a change-ready mind-set, enabling them to embrace the challenges presented by the evolving landscape of the future workplace. As a founding member of the Institute of Change Management, he currently serves as the Registrar and Chief Executive Officer of the Institute. Joseph's managerial expertise spans diverse sectors including Pharmaceutical Manufacturing, Oil & Gas, Engineering, Agriculture, and Training Consultancy.

He has consulted for the European Union on the EU Support to Federal Governance Reform (EU-SUFFEGOR)

In addition to his managerial roles, Joseph Anetor is a respected trainer who frequently speaks at conferences, workshops, and seminars. He is an alumnus of Delta State University, Abraka, and holds master's degrees from the University of Benin and the National Open University of Nigeria. He is honoured as a Fellow of the Institute of Change Management and holds the designation of Associate of the Chartered Institute of Personnel Management of Nigeria, as well as Associate membership in the Nigerian Institute of Public Relations and the Nigeria Institute of Management.

# OBIAGELI NWAKAIFE NWOBI, Ph. D; FCIPM; HRPL

**O**biageli Nwobi is a certified trainer in the International Labour Organisation's (ILO) Start & Improve Your Business (SIYB) program, boasting extensive experience in both human resource management and business consultancy across various sectors of the Nigerian economy. With a professional background spanning over 30 years, she has held diverse HR roles in multinational companies. In addition, she has worked as a consultant in areas such as Executive Search and Selection, Business Process Improvement, Training, Policy Document Preparation, and the conduct of Remuneration and Attitudinal Surveys.

Obiageli has actively supported entrepreneurs by facilitating business idea generation, start-up training, Training of Trainers programs, and business coaching. She served as a Business Development Service Provider (BDSP) under the Federal Ministry of Industry, Trade, and Investment's World Bank Assisted Growth & Employment (GEMs) Project. In this role, she conducted training for loan beneficiaries under the Lagos State Employment Trust Fund (LSETF).
